

### Inline Silencers

ACI's inline silencers range from 75mm to 200mm diameter giving noise reductions of approximately 3dB(A).

They can be supplied in either Stainless Steel 304 or galvanised steel.

ACI Part Number	Ducting Diameter	Material
DT-0500/75	75mm	Galvanised steel or Stainless steel
DT-0500/100	100mm	
DT-0500/150	150mm	
DT-0500/200	200mm	
DT-0500/300	300mm	Galvanised steel
